

Name: Efrat Neter

Date: 10.2.22

CURRICULUM VITAE

1. Personal Details

Permanent home address: 26 Bnei Brith St, Haifa 34752
Home Telephone Number 972-4- 826-2678
Office Telephone Number 972-9- 898-1352
Cellular Phone 972-54-6462677
Electronic Address neter@ruppin.ac.il

2. Higher Education

A. Undergraduate and Graduate Studies

Period of Study	Name of Institution and Department	Degree	Year of Approval of Degree
1987-1991	Hebrew University of Jerusalem, Psychology	Ph.D.	1992
1983-1986	Hebrew University of Jerusalem, Psychology	M.A	1986
1979-1982	Hebrew University of Jerusalem, English Literature and Education	B.A.	1982

B. Post-Doctoral Studies

Period of Study	Name of Institution, Department and Host	Degree	Year of Completion
1993-1995	Technion, Industrial Engineering and Management, Professor Miriam Erez	fellow	1995

1991-1993	University of California at Los Angeles, Psychology, Professor Shelley Taylor	fellow	1993
-----------	---	--------	------

3. Academic Ranks and Tenure in Institutes of Higher Education

Dates	Name of Institution and Department	Rank/Position
2016 - present	Ruppin Academic Center, Behavioral Sciences Department	Associate Professor
2006 - 2015	Ruppin Academic Center, Behavioral Sciences Department	Senior Lecturer
1998 - 2006	Ruppin Academic Center, Behavioral Sciences Department	Lecturer
1996-1997	Jezreel Valley College, Behavioral Sciences Department	Lecturer
1995-1996	Haifa University, Department of Nursing.	Lecturer
1993-1995	Technion, Faculty of Industrial Engineering and Management (with Professor Miriam Erez)	Postdoctoral Fellow
1991-1993	University of California at Los Angeles, Psychology (with Professor Shelley Taylor)	Postdoctoral Fellow

4. Offices in Academic Administration

Dates	Unit/Committee	Role/Position
*2017 - 2021	Higher Education Council, graduate student scholarship committee	Member
*2016 - 2021	RAC Teaching committee	Chairperson
2016 - 2018	RAC Research activities committee	Member
2013 – 2015	RAC, Behavioral Sciences Department	Department Chair

2013 - 2016	RAC Teaching committee	Member
2010 – 2014	RAC Excellence Committee	Member
2003 – present	RAC Ethics Committee (Human participants approval)	Chairperson (founding) and later member
2001 –2004; 2011-2013.	RAC Disciplinary Committee	Committee member
1999 – 2009	RAC Library Committee	Chairperson

5. **Scholarly Positions and Activities outside the Institution**

(a) Roles in International Associations

- *2021-2022 – Co-chair of Psychology Day 2022 at the United Nations, Psychology Coalition United Nations.
- *2021 –Secretary, Psychology Coalition United Nations (an NGO).
- *2019 - 2021 - Member, European Health Psychology Society Stan Maes Early Career Award committee.
- *2018 - present - Member, European Health Psychology Society Task Force on Core Competencies.
- *2017 – 2021 - Council for Higher Education (=Malag), Hammer fellowship committee.
- * 2016 present – Member, Psychology Coalition United Nations (NGO), representative of the European Health Psychology Society.
- *2014 – present - Member, UN- European Health Psychology Society subcommittee.
- 2012-2015 – Member, European Health Psychology Society's Prizes committee.
- 2012-2013 - Member of the International Society of Behavioral Medicine (ICBM) virtual course task group.
- 2010 – 2014 – National Delegates and Membership Officer of the European Health Psychology Society. 2014-16 – National Delegates officer.

(b) Significant professional consulting

- 2010 – 2012: Head of evaluation committee in 'Haifa active and healthy' program.

2003 – 2006, Haifa Regional Ministry of Health Office, smoking prevention project.
Scientific adviser.

(c) **Membership in editorial boards**

- * Health Psychology and Behavioral Medicine. Q3 journal. Co- editor-in-chief, 2022 onward.
- * Applied Psychology; Health and Wellbeing. Q1 journal. Associate editor, 2022 onward.
- * Special Issue editor: Vaccines. Q2 journal. Expected publication: summer 2021.
- * Health Psychology and Behavioral Medicine. Q3 journal. Associate editor, 2020 onward.
- * Frontiers, Psychology (Health Psychology). Q1 journal. 2020 -2022.

(d) **Membership in professional/scientific societies**

- *Psychology Coalition at the United Nations (2016 – present).
- International Association of Applied Psychology, 2006-present.
- European Health Psychology Society, 2005 - present.
- American Psychological Association, 1999 - present.

(e) **Ad-Hoc reviewer in journals:**

- Applied Psychology; Health and Wellbeing.
- Annals of Behavioral Medicine.
- Anxiety, stress & coping.
- Behavioral Medicine.
- BMC Medical Informatics and Decision Making.
- BMC Women's Health.
- BMJ.
- BMJ Screen.
- Computers and Human Behavior.
- European Journal of Midwifery
- Educational Gerontology.
- EMJ Innovations 2.1 (within Eur. Medical Journal).
- Frontiers in Psychology.
- Global Health Promotion.
- Health Education and Behavior.
- Health education Journal.

Trials.
Horizons in Geography (in Hebrew).
Society and Welfare (in Hebrew).

(d) **Ad-Hoc reviewer for grant proposals:**

Israel National Institute for Health Policy and Research.

Israel Science Foundation.

Israeli National Cancer Association.

Israel Biopsychology Institute.

PRIN (Research Projects of National Relevance), Italy

ZonMw, Netherland.

(e) **Reviewer for scientific conferences and membership in scientific committees:**

European Health Psychology Society, 2020, 2021. Scientific committee.

International Congress Behavioral Medicine, 2014, 2016, 2018. Reviewer.

European Health Psychology Society, 2014, 2016, 2021. Reviewer.

European Congress of Psychology, Sweden 2013. Reviewer.

Israeli Psychometric Association, 2013 - present. Reviewer.

6. Participation in Scholarly Conferences (last 5 years)

a. Active Participation, International Conferences

Date	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
2021	*First Global Health Literacy	Virtual	Mental Health literacy among Palestinian students in Israel	Presenter
2021	*35 th Conference of European Health Psychology Society	Virtual	Ambivalent attitudes and the intention to undergo Whole Genome Sequencing	Presenter
2021	*Australian Society of Behavioural Health and Medicine	Australia, Virtual	Benefiting from digital use: Prospective association of Internet use with knowledge and preventive behaviors related to Alzheimer's disease in the Israeli Survey of Aging	Presenter
2020	*6th International Scientific-Practical Conference 'Health and Personality Development: an Interdisciplinary Approach	Riga, Latvia	Multiple modality approach to assess adherence to medications across time in multiple sclerosis	Presenter

2019	*4 th European Health Literacy	Dublin, Ireland	The association between Health Literacy, eHealth Literacy and health in a multi-ethnic population	Co-presenter
2019	*2 nd International Public Mental Health	Jerusalem, Israel	Involuntary psychiatric admissions of Arab Israelis and immigrants from former USSR and Ethiopia during the last 15 years	Co-presenter
2019	*34 st Conference of European Health Psychology Society	Dubrovnik, Croatia	Compensatory health beliefs on breastfeeding varying by breastfeeding status	Presenter
2018	*International Congress of Applied Psychology	Montreal, Canada	The “third digital divide” in the health domain: Is Internet use for health purposes associated with health benefits?	Presenter
2018	*24 th The World Congress on Medical Law and Bioethics	Tel-Aviv, Israel	Who is at risk for involuntary psychiatric hospitalization in Israel: 2001-2017	Co-presenter
2018	*Genomics - from Prevention to Treatment, Population, Medicine and Society	Haifa, Israel	Responses to a public-funded whole genome sequencing: a qualitative inquiry into concerns and interest	Presenter
2018	*Genomics - from Prevention to Treatment, Population, Medicine and Society	Haifa, Israel	The effect of amount of genomic feedback on worry, efficacy and interest in future updates	Presenter
2018	*33 rd Conference of European Health Psychology Society	Galway, Ireland	Exercising in a commercial pregnancy-specific setting - a window of opportunity? Comparison to sedentary and long-exercising pregnant women	Presenter
2017	*Health and personality	Riga Stradina	Goal Adjustment in fertility treatments	Presenter

	development; Integrative approach	University, Riga, Latvia		
2017	*Subjective Probability, Utility, and Decision Making (SPUDM26)	Technion, Haifa, Israel	Better ask than tell: Interrogative SMS reminders for enhancing colorectal cancer screening	Presenter
2017	*32 nd Conference of European Health Psychology Society	Padua, Italy	Addressees' response to mHealth interrogative reminders	Presenter
2017	*32 nd Conference of European Health Psychology Society	Padua, Italy	Food Porn in Social Media and Eating Behaviors	Presenter
2017	*Health literacy Research Conference & American Academy on Communication in Healthcare	Baltimore, US	Perceived and Performed e- Health Literacy: Survey and Simulated Performance Test	Co - presenter
2017	*European Committee for Treatment and Research in Multiple Sclerosis	Paris, France, October	Illness- and medication- perceptions are key predictors of adherence in Patients with MS	Co- presenter
2017	*European Federation of Medical Informatics, Special Topic Conf.	Tel-Aviv, Israel	Perceived and Performed e- Health Literacy: Survey and Simulated Performance Test	Presenter
2016	31 st Conference of European Health Psychology Society	Aberdeen, UK	Adjustment in fertility treatments: the role of infertility centrality in women's identity and goal adjustment	Presenter
2016	30 st Conference of European Health Psychology Society	Aberdeen, UK	Acceptability of technology that detects fatigue while driving	Presenter
2016	Social Media and Society	London, UK	Offline gender roles replayed in online health behavior	Co- presenter
2016	American Sociological Association Annual	Seattle, WA, August	Gender Differences in accuracy of self-assessed digital and eHealth literacy among older adults in Israel	Co- presenter

2016	*European Committee for Treatment and Research in Multiple Sclerosis	London, UK, September	Illness- and medication-perceptions are key indicators associated with Health-related Quality of Life in Patients with MS	Co-presenter
------	--	-----------------------	---	--------------

b. Active Participation, National Conferences (last 5 years)

Date	Name of Conference	Place of Conference	Subject of Lecture/Discussion	Role
2020	*ESPAnet, Israel	Ashkelon	Mental health literacy among Arab students in Israel	Co-presenter
2019	*The 2 nd International Public Mental Health	Jerusalem	Involuntary Psychiatric Admissions of Arab Israelis and of Immigrants from the former Soviet Union and Ethiopia during the Last 15 Years	Co-presenter
2019	*ESPAnet, Israel	Ruppiner Academic Center	Involuntary psychiatric hospitalization, who is at risk?	Presenter
2019	*Mental Health and Human Rights	Ruppiner Academic Center	Involuntary psychiatric hospitalization, who is at risk?	Presenter
2018	*ESPAnet, Israel	Emeq Izrael	Using oral contraceptives in Israel: interaction with the physician and association between background characteristics, risk perception and knowledge	Presenter
2018	*Medicine in a viral age: how technologies affect health	Ra'anana, Open University	The "third digital divide" in the health domain: Is Internet use for health purposes associated with health benefits? https://youtu.be/eBaYA4I0n9c	Presenter
2018	*Public Health Physicians and Schools	Ramat-Gan, Hamaccabia village	Involuntary psychiatric hospitalization, who is at risk?	Co-presenter

2018	*Israeli Eating Disorders Association	Ruppin Academic Center	Association between food-related Internet activities and eating patterns	Presenter
2018	*Digital Health and Social Media	Ono College	Association between food-related Internet activities and eating patterns	Presenter
2018	*The ILAMI Annual Meeting	Tel Aviv	Responses to a public-funded whole genome sequencing: a qualitative inquiry into concerns and interest	Presenter
2017	*13 th Israel Psychometric Association	Jerusalem	Performed and perceived eHealth Literacy	Presenter
2017	*ESPAnet Israel	Bar- Ilan, Ramat Gan	Association between food-related activities in social media, gender, food craving and external eating	Presenter
2017	*Israel Health Institute	Tel-Aviv	The “third digital divide” in the health domain: Is Internet use for health purposes associated with health benefits?	Presenter
2017	*Israeli Psychological Association, Rehabilitation Division	Ashkelon	Illness perception mediate between neurological status and quality of life among people with multiple sclerosis	Presenter
2016	*Israeli Sociological Association conference	Tel-Aviv	Internet use for health purposes through the other: characteristics and outcomes.	presenter
2016	*Israeli Sociological Association conference	Tel-Aviv	(in)accessibility of Internet site to diverse populations; case study of large health sites in Israel	Co-presenter
2016	*ESPAnet, Israel	Haifa	Do Hebrew-speaking Internet sites address the needs of diverse populations? The challenge and (not) meeting it.	Co-presenter

c. Organization of conferences or sessions

Date	Name of Conference	Place of Conference	Subject of conference /comments	Role
*2021	35 st Conference of European Health Psychology Society	virtual	Health Psychology	Scientific committee, member
*2021	35 st Conference of European Health Psychology Society	virtual	Women Health Issues	Convenor
*2019	34 st Conference of European Health Psychology Society	Dubrovnik, Croatia	Women Health Issues	Convenor
*2019	ESPAnet, Israel	Ruppin Academic Center	Social welfare	Member in scientific committee
*2018	Caregiving to the Eldeley	Ruppin Academic Center	Caregiving	Member in scientific committee and session chair
*2018	European Health Psychology Society	Galway, Ireland	Women Health Issues	Convener of symposium
*2017	European Federation of Medical Informatics	Tel-Aviv, Israel	Health Informatics	Reviewer and member of scientific & organizing committee
*2016	European Health Psychology Society	Aberdeen, UK	Health Psychology	Track chair of work eHealth/mHealth
*2016	International Congress	Australia	Behavioral Medicine	Track chair of health behaviors

	Behavioral Medicine			
--	------------------------	--	--	--

7. Invited lectures \ Colloquium Talks (last 5 years)

Date	Place of Lecture	Name of Forum	Presentation/comments
*2020	Ruppin Academic Center	Department of Behavioral Sciences	Benefiting from digital use: Prospective association of Internet use with knowledge and preventive behaviors related to Alzheimer's disease in the Israeli Survey of Aging
*2018	Open University, Israel	Conference (internal): Medicine in a viral era: How technologies affect health	Does using the Internet affect health outcomes?
*2017	Jerusalem, Israel	Taub Center	With some help from my network: Supplementing eHealth literacy with social ties
*2017	Ruppin Academic Center	School of Economics and Business administration	Nudging to enhance cancer screening uptake
*2017	Ruppin Academic Center	Department of Behavioral Sciences	Are there gains in using the Internet for health purposes?
*2017	Interdisciplinary Center, Herzlia	Social Psychology colloquium	From social to health psychology - Moving from lab to population level (and back)
*2016	Croatia	Croatian Psychological Association, Annual National Conference	Translational research in health psychology, keynote address

8. Research Grants

a. Grants Awarded (last 5 years)

Role in Research	Co-Researchers	Topic	Funded by/ Amount	Year
-----------------------------	-----------------------	--------------	------------------------------	-------------

[illegible]

b. Submission of Research Proposals – Pending

Role in Research	Co-Researchers	Topic	Funder/Amount	Year
PI	Dolberg, P., Sela, Y, Avidar, S, & Even Zahav, R.	Evaluation of an intervention among caregiver workers.	Israel National Insurance Institute, approx. \$85,000	2021

c. Submission of Research Proposals – Not Funded (past 5 years)

Role in Research	Co-Researchers	Topic	Funded by/ Amount	Year
*PI	Elena Nikolaeva, Russia	Use of mHealth in Israeli adult population	Science Ministry, 330,000	2019
*Co-PI	Lilian Lechner (PI) and many more (8 countries); leaders: Open U. and Maastricht U in Netherlands.	Cancer After Care, H2020-SC1-BHC-2018-2020.	5,000,000 Euros	2018
*Co-PI	Youngman, R	Mental health literacy among Ethiopians in Israel and its association with using mental health services	Israel National Institute for Health Policy and Health ; 300,000	2018
*Co-PI	Brainin. E	Use of mHealth among older adults in Israel	Israel National Institute for Health Policy and Health ; 300,000	2018
*PI	Mushkat, Y; Teamn, E.	Patients' Perceptions on the Use of Patient Reported Outcome Measures	Israel National Institute for Health Policy and Health Services Research, 250,000 NIS	2017
*Co-PI	Brainin, E.	Patient perception of digital resources as a means to facilitate continuous treatment	Maccabi Heath Services, 50,000 NIS	2017
*PI	Anat Ben-Simon, Naomi Gafni	Developing adaptive computerized test for eHealth literacy	600,000 NIS	2017
*PI	Rishpon, Madgar, Teman	Compensatory health beliefs predicting intentions and recorded child vaccination	Israel National Institute for Health Policy and Health Services Research; 250,000 NIS, approx. \$69,000	2016

*PI	Goldfarb, Luria, Katzir	Habit formation of physical activity among people with diabetes and ADHD; The effects of feedback frequency and contact modality	Israel Science Ministry, 1,200,000 NIS	2016
*Co-PI	Landsman	Internet health and cancer-related information seeking among BRCA carriers	Israel Cancer Association, 75,000 NIS	2016
*Co-PI	Miller, A.	Personalized medicine – adherence to medication	Israel Science Ministry, 1,200,000 NIS	2016

9. Scholarships, Awards and Prizes

*2020 European Health Psychology Fellowship Award.

*2016, 2017, 2018 – Ruppin Academic Center Excellence Award.

10. Teaching

a. Courses Taught in Recent Years

Year	Name of Course	Type of Course	Degree	Number of students
2009-2012; 2016	Developmental psychology	Lecture	B.A.	40-60
2008-2012	Environmental psychology	Lecture	B.A.	40-60
2006-present	Health Behaviors	Seminar	B.A.	20

2004-2010	Coping and health	Lecture	B.A.	40-60
2003-present	Health psychology	Lecture	B.A.	40-60
2000-2009	Psychological tests	Lecture	B.A.	40-60
2000-2001	Theories of psychological testing	Lecture	B.A.	40-60
1998 - present	Social Psychology	Introduction Course	B.A.	180
1998-2000	Attitude change	Seminar	B.A.	20
1998-99; 2011-2013	Research methods	Mandatory	B.A.	40-60
1998-2000	Attitude change and persuasion	Lecture	B.A.	40-60

b. Supervision of Graduate Students

Name of student	Subject of work	Degree	Date of completion / stage
*Chen Shaked	Compensatory health beliefs towards COVID vaccination	M.A., Ruppiner Clinical Gerontol. Psych program	Ongoing
*Noa Valensy	Changes in illness perception among persons with Multiple Sclerosis and its association with quality of life	M.A., Ruppiner Clinical Gerontol. Psych program	Ongoing
*Shmuel Biteolin	Mental health literacy among Israelis with Ethiopian ancestry: second and 1.5 immigration generation	M.A., Ruppiner Clinical Psych program	Ongoing
*Sharon Kopman	Habit in medication taking among persons with Multiple Sclerosis	M.A., Ruppiner Clinical Psych program	2021
*Nabiha Abu-Saleh	Anomia among Palestinian Citizens of Israel – replication and validation of a Baltic measure	M.A., Ruppiner Clinical Gerontol. Psych program	2019
*Na'ama Sarig	Ethical attitudes of practitioners; the association between stereotypes and patients' rights	M.A., Ruppiner Clinical Gerontol. Psych program	2019
*Nir Alter	The effect of pain perception and self-esteem on prosocial behavior	M.A., Ruppiner Clinical Gerontol. Psych program	2019
*Astar Dov	The effect of food-related activities in social media on food craving and external eating	M.A., Ruppiner Clinical Psych program	2018

*Michal Kahan	The structure of eHealth literacy and Health literacy and the association between them and their components.	M.A., Ruppin Clinical Psych program	2016
Efrat Peled	The effect of a stress inoculation program on school climate and student achievement tests	M.A., Ruppin Clinical Psych program	2014
Soli Seligman	The Association between Emotional Arousal and Health Information Seeking on the Internet	M.A., Ruppin Clinical Psych program	2014
Shira Goren	The association between the centrality of infertility in the woman's identity, goal adjustment and the psychological adjustment of women in ongoing fertility treatments	M.A., Ruppin Clinical Psych program	2014
Chen Goren	Stereotypical thinking as a mediator between exposure to terror and PTSD among adolescents	M.A., Ruppin Clinical Psych program	2012
Aderet Tzachi	The Association between Self-Rated Health and Health Behaviors: Meta- Analysis and an Empirical Study	M.A., Ruppin Clinical Psych program	2012

11. **Miscellaneous** - N/A
12. **Professional Experience** N/A

PUBLICATIONS

a. Ph.D. Dissertation.

Reconciling competing motives in self-evaluation: The role of self-control in feedback seeking, approved 1992, 110 pages, in Hebrew, Hebrew University of Jerusalem, Supervisor Professor Yaacov Trope, publication #4.

b. Articles in refereed journals; since last promotion

1. * Gardner, B., Arden, M. A., Green, J., Inauen, J., Keller, J., Kwasnicka, D., Labudek, S., Mullan, B. A., Neter, E., Potthoff, S., Hamilton, K., Masaryk, R., Lally, P. (2021). Developing habit-based health behaviour change interventions: twenty-one questions to guide future research. *Psychology & Health*, <https://doi.org/10.1080/08870446.2021.2003362>. Impact Factor: 2.53, Q1.

- Contribution: Actively took part in discussions towards the paper and participated in writing and commenting on the manuscript.
2. * Todorova, I., Albersb, L., Aronsona, N., Baban, A., Benyaminid, Y., Cipollettae, S., del Rio Carralf, M., Dimitrovag, E., Dudley, C., Guzzardoi, M., Hammoude, R., Aziml, D., Hilverdak, F., Huang, Q., John, L., Kanevan, M., Khano, S., Kostova, Z., Kotzeva, T., Fathima, M.A., Maria, M., Michoud, C., Miah, A., Mohr, J., Morgan, K., Nastasec, S., **Neter, E.**, Panayotova, Y., Patel, H., Pillai, D., Lima, M., Salewski, C., Sankar, A., Shao, S., Suresh, J., Todorova, R., Tomaino, S., Vollmann, M., Winter, D., Xie, M., Ning, S., Zlatarska, A. (2021). "What I thought was so important isn't really that important": International perspectives on making meaning during the first wave of the COVID-1 pandemic. *Health Psychology and Behavioral Medicine*. 2 citations. doi: 10.1080/21642850.2021.1981909. Impact Factor: 1.70, Q3.
Contribution: jointly conceived, designed, and collected the data; commented on writing of the manuscript.
 3. Hagoel, L, Rennet G., & **Neter, E.** (2021). Translational research in cancer screening: Long-term population-action bridges to diffuse adherence. *International Journal of Environmental Research and Public Health*, 18 (5), 7883. doi: 10.3390/ijerph18157883. Impact Factor: 3.39, Q2.
Contribution: jointly conceived and wrote the essay with LH.
 4. ***Neter, E.**, Baron-Epel, O., & Brainin, E. (2021). Group differences in health literacy are ameliorated in eHealth literacy. *Health Psychology and Behavioral Medicine*, 9 (1), 480-497. 1 citation. doi:10.1080/21642850.2021.1926256. Impact Factor: 1.70, Q3.
Contribution: jointly conceived and designed the study with EB and OBE; conducted the data analysis & interpretation and wrote the manuscript.
 5. *Youngmann, R., Goldberger, N., Haklai, Z, Pugachova, I., & **Neter, E.** (2021). Involuntary psychiatric hospitalizations in Israel 2001-2018 and risk for immigrants from different countries. *Psychiatry Research*, 113958. doi:10.1016/j.psychres.2021.113958. Impact Factor: 3.22, Q1.
Contribution: jointly designed, conducted the data interpretation, and wrote the manuscript.
